About the Freemasons

Freemasonry is not a secret society it is a social organization based on a system of morality, veiled in allegory and illustrated with symbols which fosters friendship, morality and brotherly love. Service and philanthropy to the community at large is a primary support to all Freemasons. Each lodge participates in service towards the State sponsored charities; The Masonic Student Model Assistance Program, The NJ Masonic Child Identification Program (CHIP), The Masonic Track and Field Event, The New Jersey Masonic Blood Program, The Veterans Visitation Program, and the NJ Masonic Community Charity Fund.

Freemasons do not actively recruit for new members; to become one, ask one. To be eligible for membership you must be a man of 21 years of age or more, having a belief in a Supreme Being (No particular faith is required or excluded, all are welcome), able to afford the initiation and annual dues without causing hardship to yourself or your family and should enter Masonry of your own free will and accord.
